Gluttony Pig

Swine and Dine: A Deflationary Meme Token and NFT project on TON blockchain

01. INTRODUCTION

The web3 world thrives on innovation, and as well as a sprinkle of fun. Swine and Dine is set to offer both with the introduction of the inseperable duo: $PIG, a deflationary meme jetton, and the Gluttony pigs NFT collection, both residing on the Ton Blockchain. This whitepaper outlines the project's vision, tokenomics, NFT utility, and roadmap, aiming to create a vibrant meme-fueled community centered around DeFi and exclusive NFT ownership.

02. PROJECT VISION

Swine and Dine aspires to be more than just a memecoin. We aim to cultivate a passionate community through:

🎯 **Hilarious memes and engaging social media presence:**

$PIG will be the lifeblood of our online presence, fueling hilarious memes and interactive content.

🎯 **Rewarding our community:**

Active community members will be eligible for exclusive rewards in $PIG and potentially rare Gluttony Pigs NFTs.

🎯 **Integration with DeFi platforms:**

We envision $PIG being tradable on all major TON DEX including StonFi and DeDust, allowing for easy swapping and potential yield generation.

🎯 **NFT utility beyond bragging rights:**

Gluttony Pigs NFT will grant holders access to a vested $PIG airdrop, exclusive features, potential profit-sharing opportunities, and participation in community governance.
